

# NIA TECHNIQUE - EARTHSONG NIA SOUNDS CD

A landscape of soothing rhythms, Earthsong offers a relationship with the beat and pulse of the Earth. Bathe yourself in Earth's ethers that embrace us all, and breathe in her fragrance. Step into the dawn of night and into primordial intoxication, where you celebrate the cycles of the Earth. Featuring music by: Kenya Masala, Thunderball, Jeff Stott, Shakatura, Puff Dragon, Thievery Corporation, Ursala 1000, Rasiya, and Purekane.
